This is a clear and insightful presentation of the thought of the Roman philosopher Epictetus. Patrick McCarty studied under the great French philosopher Jacques Derrida and worked as an academic for 25 years. Today, he is a professional writer (over one hundred titles to his credit) and the host of ICG/CNN Radio, where he dialogues with the central innovators, writers, artists and thinkers of the 21st century. He had the honor to serve as a speech writer for VP Joe Biden and the governor of Utah. His radio program has been cited in the media as the greatest force for progressive change today.
