Halloween is fast approaching and, with it, Alexandria's eighteenth birthday. Will Alex, Peter and James find Liam's lost receptacle before the impending sacrifice on All Hallows Eve? Will the anger and darkness that's plaguing Alex overcome her? Can Alex find a way to defeat Liam or will she suffer the consequences of so many pure blooded witches before her? All Hallows Eve is the gripping conclusion to the New England Witch Chronicles Series. For more information, please visit: www.chelsealunaauthor.com
