A brief, user-friendly, solid look at the action research cycle and the knowledge to work through each step. In Cher Hendricks's *Improving Schools Through Action Research*, educators learn what they need to know about the action research cycle and get practical help for working through each step of the cycle—from choosing a topic and generating research questions to analyzing data and reporting results and conclusions. In a clear, concise, user-friendly approach, the author helps readers through the entire process with specific, practical information that incorporates some of the latest online and professional resources, a more detailed explanation of how to analyze and interpret qualitative data, and instructions on formatting the research paper using the latest APA guidelines. The Enhanced Pearson eText features embedded videos and tutorials. Improve mastery and retention with the Enhanced Pearson eText\* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.\*
